

**BAD WEATHER
STUDENT PICK-UP**

In the event of bad weather during student release, the following procedures will be followed:

Bus Students - will walk to the pavillion where they will be assisted in boarding buses.

Car Pick-up Students - will be walked to the hallway behind the cafeteria and will wait with their teachers until their ride arrives at the pick-up point.

Cars will enter the parking lot by the North entrance, drive straight through, turn and drive back toward the exits. Staff members will call students out as cars drive up, making it very important that you have your child's name placard in your front window.

Walking Students - will be walked to the front hallway of the school to wait until rain clears.

Car Pick-up Students will exit building here
