Leticia Garcia, Director of Food Service
RE: **Calallen ISD – Free Breakfast and Lunch through December 2020**

Following the USDA announcement on August 31, 2020, extending free meals through December 31, 2020, Calallen ISD is happy to announce that **starting Tuesday, September 8, 2020 all breakfast and lunches will be provided for free.**

USDA anticipates the free meal extension to continue through December 31, 2020, at this time. The district will communicate any changes as they are forthcoming from USDA, TDA, and other regulatory agencies. We anticipate to return to charging the student's lunch account based on eligibility in January 2021, as the USDA extension will have expired; however, the district will continue free breakfast for all currently enrolled students for the remainder of the 2020-2021 school year.

As the district transitions to face-to-face instruction on September 8, 2020, curbside meal pick-up will continue for those students who have selected to stay virtual. **Starting on Wednesday, September 9, 2020 curbside meals will be available for pick-up at Magee Elementary only**, see below for a full schedule.

Days: **Mondays, Wednesday, and Fridays only**
Monday pick-up: 2 breakfast & 2 lunch meals
Wednesday pick-up: 2 breakfast & 2 lunch meals
Friday pick-up: 1 breakfast & 1 lunch meal

Time: **11:00 AM to 12:30 PM**

Location: **Magee Elementary School**

Menus are posted on the CISD Food Service Website (<http://calallen.healtheliving.net/>). If you have any questions or concerns regarding this program or the information provided, please contact CISD Food Service Department so that we can further assist you.

We are looking forward to another great year and thanks for the patience and understanding as we navigate all of the changing regulations from USDA and TDA.
