Student Vehicle Contract

I understand that the operation of student vehicles on school grounds is a privilege. I agree to abide by the following terms and conditions.

1. I will adhere my valid parking permit sticker on the right lower corner of my windshield so it is clearly visible at all times. Just placing it on dash board could result in my car getting a boot or being towed.

2. If I drive a vehicle that does not have a parking sticker, I will contact an Administrator immediately upon arrival on campus to make proper arrangements to park on campus.

3. I understand that if I am parked in a restricted area, a boot can be placed on my car or it can be towed at my expense. If tires are too big for boot, the vehicle will be towed.

4. I will drive cautiously while on campus, and obey all rules, laws and regulations pertaining to the safe operation and parking of a motor vehicle as established by the state, county, school system and Calallen High School.

5. I will not bring onto school grounds, nor keep in my vehicle while it is on school grounds, any prohibited controlled substance such as beer, wine, alcohol or any other drugs, nor any gun, weapon or explosive.

6. I understand that school officials have the authority to open, enter and search my vehicle if they have reasonable suspicion that any of the items mentioned above are in my vehicle. Such items will be removed as evidence in any disciplinary or criminal proceedings.

7. I understand that my vehicle may be towed or booted if parked in restricted areas or does not have a parking sticker at my expense. First offense for the boot is \$25.00 any offense after will be \$50.00. Any damage to the boot resulting from moving the vehicle will be \$125.00.

8. I will not sell or give my parking permit to another student or I will lose my driving privileges. **If a permit is lost, it will cost \$10.00 to replace it.**

9. I will obey the directions of all Calallen staff and police officers.

10. I will report any accident, damage or theft to school administrator and police.

11. I understand that once I am parked, I will enter the building and not return to the parking lot until the end of the school day without permission from school administration or their designee.

12. I understand that if my driver's license is revoked or suspended by the state, my parking privilege will be suspended until my driver's license has been reinstated.

13. I understand that failure to follow the above mentioned rules and regulations or any other safety violation that would jeopardize the health or well-being of Calallen High School students or staff will result in the loss of my driving privilege on this campus and follows: ***at the discretion of the administrator.***

To obtain a parking permit, a student needs to have the Drug Testing Consent Form completed and signed by a parent, a completed and signed parking permit application, a copy of a valid driver license, proof of insurance, and \$5.00. (CISD is not responsible for any damage to vehicle while parked on school grounds)

I will follow the rules listed above. Failing to follow these rules will result in the loss of my driving privileges on this campus. By signing, I am agreeing that the above information is true and accurate.
