## CALALLEN students need YOU!

In order to assist as a **VOLUNTEER** at Calallen ISD schools, all persons interested must attend a Volunteer Training session **at least once every 3 years!** For the safety of all students, **volunteers must complete this training to be “cleared” to attend the following activities: classroom parties, picnics, field trips, and classroom/campus activities.\*\*** When training is complete, a VOLUNTEER card will be issued for usage at all CISD schools for faster access at the campus. You will use the Volunteer ID card and Driver’s License for verification purposes.

For your convenience, you may attend ANY training listed below at one of our various campuses to qualify as a volunteer!
