

# WOOD RIVER ELEMENTARY

## 2023 READ-A-THON

### Additional Awards

We are excited about this year's Read-a-Thon and are looking forward to watching our students grow in their reading. Our goal is to have every student set a reading goal of at least 100 minutes, which is only 5 minutes a day, 5 days a week for the 4 weeks we run the Read-a-Thon. (Parents and or guardians may read with students that are still learning to read.) Another big part of our Read-a-Thon are the donations students receive from their sponsors towards their reading goals. We would love to see every student set a goal for reading and get their donations to meet all their rewards. In addition to the rewards offered by Read-a-Thon, Wood River will add the following rewards:
