CALALLEN students need YOU!

In order to assist as a **VOLUNTEER** at Calallen ISD schools, all persons interested must attend a Volunteer Training session **at least once every 3 years!** For the safety of all students, volunteers must complete this training to be “cleared” to attend the following activities: classroom parties, picnics, field trips, and classroom/campus activities. **Due to heightened concerns for school safety and security, training must also be completed by anyone who wishes to visit a campus and eat lunch with a student.** When training is complete, a VOLUNTEER card will be issued for usage at all CISD schools for faster access at the campus. You will use the Volunteer ID card and Driver’s License for verification purposes.

For your convenience, you may attend **ANY** training listed below at one of our various campuses to qualify as a volunteer!

- Calallen High School: August 30th @ 5:30 pm (Library)
