Activities, Awards, and Achievements

Calallen FFA

Every student will have the opportunity to become an over achiever of the Calallen FFA. This is a list of the different areas you can become involved in. Please note that you may become involved in as many activities as you can possibly handle. Also note that everything is offered to everyone, not just certain individuals. But, you must understand that each activity might have certain criteria set up to participate or win. If you have questions or need in depth information, please feel free to ask any of your Ag. teachers. Please note that all decisions are made by all teachers, not an individual teacher.
