

STUDENT DROP-OFF @ 7:20 A.M.

Cars will enter the parking lot by the North entrance and turn into the front parking lot. **Do not block the main entrance while entering the front parking lot so that staff may park.**

When driving through the car drop-off/pick-up lane **do not drop-off / load child before the crosswalk.**

We unload/load 7 students at a time. When signaled to drive forward, ensure your cellphone has been put away and **pull car all the way forward leaving no cone/gaps between your vehicle and the vehicle in front of you.**

When exiting, please follow the arrows on the map and go through the front parking lot. **Please do not exit through the front entrance.**

Please be patient and cooperative as we do our best to get our students in safely.
