

VISITORS TO THE SCHOOL – CISD Elementary Schools 2018 - 2019

General Visitors

Parents and others are welcome to visit district schools. For the safety of those within the school and to avoid disruption of instructional time, all visitors must first report to the main office and must comply with all applicable district policies and procedures. When arriving on campus, all parents and other visitors should be prepared to show identification.

Visits to individual classrooms during instructional time are permitted only with approval of the principal and teacher and only so long as their duration or frequency does not interfere with the delivery of instruction or disrupt the normal school environment. Even if the visit is approved prior to the visitor's arrival, the individual must check in at the main office first.

Please make arrangements with your child's teacher if you wish to schedule a conference.

Lunch visits will be limited to Wednesdays and Fridays. Lunch visitors are to eat in the designated area with their child only and may only provide food to their own child. We want to support your child not only academically but also socially. Allowing them to go through school days without daily parent visits is a healthy start for them.

All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted.
